

Food Service

The Ultimate Electronic Amenity

Decorate your walls with the elegant Smart-Leaf, and experience an increase in:

- Repeat business
- New business
- Customer satisfaction during wait times
- Customer loyalty
- Competitive advantage

• Sip `n Surf!

The Smart-Leaf enables your customers to sip their beverages while surfing the net. And don't worry about spills. The Smart-Leaf is IP54 splash-proof!

• Pay-Per-Use

With its credit card swiper, you can charge customers for use of the Smart-Leaf, Internet café style. This enables you to recover your investment cost and achieve an additional, ongoing source of revenue.

• Child Play Areas

Mount the Smart-Leaf to the walls of your child play areas. Smart-Leaves can be mounted at various heights for different age groups for:

- ◆ interactive, educational games
- ◆ videos, movies and cartoons

• Booths

By mounting the Smart-Leaf to the walls of your booths, you can:

- ◆ display your menu and nutritional information
- ◆ provide Internet access to ease the wait time

Food Service

• In-Store Training

Mount the Smart-Leaf to the walls in the back of your store. Your employees may complete their online training certifications while standing or sitting on a stool.

• Store Information

Mount the Smart-Leafs in your store to display:

- ◆ Menus
- ◆ Nutritional information about foods
- ◆ Advertisements and specials
- ◆ Store hours

Store Operations

Smart-Leaf stations enable your food service business to:

- Reduce training and operational costs
- Notify customers of nutritional and store information
- Display digital advertisements

• Point of Sale

With its touch screen and credit card swiper, the Smart-Leaf enables customers to:

- ◆ pay for orders
- ◆ purchase ancillary products
- ◆ make reservations
