

## Hospitality

### • Common Areas

Mount the Smart-Leaf in common areas for use by guests and staff in vestibules, lobbies, lounges, and fitness centers for:

- ◆ access to online facility systems for check-in/check-out
- ◆ service requests
- ◆ display of information for guests and residents
- ◆ Internet access

### • Pay-Per-Use

Achieve additional revenue with the Smart-Leaf's Pay-Per-Use method.

### • Staff Areas

The Smart-Leaf increases efficiency of employee tasks.

- ◆ Doorman stations – touch screen use on wall or desk
- ◆ Mail rooms – use with touch screen and bar code scanner for mail and package processing

### Benefits

Place Smart-Leafs in your hospitality business, and experience an increase in:

- Level of customer service
- Customer satisfaction
- Operational efficiency
- Productivity

### • Guest Rooms

In guest rooms, the Smart-Leaf can provide guests with:

- ◆ Internet and PC access
- ◆ TV
- ◆ Online guest information, including check-in and check-out systems
