

## Industrial

### The All-In-One Workhorse

Put the Smart-Leaf to work in your industrial environments for:

- Increased work flow efficiency
- Decreased downtime
- Increased productivity

### Applications

- Laboratory research
  - ◆ Counter work space is saved
  - ◆ Designed to withstand spills and splashes
  - ◆ Online and PC access is always within reach
- Plants and Factories
  - ◆ Data input
  - ◆ Data access
  - ◆ Process control

### Maximum Versatility & Durability

- Compact, All-In-One Form
- LCD
  - ◆ Touch Screen
  - ◆ IP54 splash-proof
  - ◆ Protection glass
- Scratch Guard
- Keyboard
  - ◆ Fold-out design
  - ◆ IP54 Splash-proof
  - ◆ Stainless steel w/ trackball
- Lockable power and keyboard
- Fold-out desktop stand
- Full computer functionality
- Webcam
- WIFI
